

TO REWARD THE CHINESE.

Admiral Dewey Favours Making Citizens of the Chinese on His Ships.

Admiral Dewey's recent mail communication to the navy department has given the most generous recognition to all those who participated in any way on board the American ships during the battle of Manila, and includes a specific recommendation as to the Chinese who are serving in various minor capacities. This recommendation, affecting the question of citizenship, was turned over by the navy to the state department, where the following statement was made:

"In further proof of the nobility of character of Admiral Dewey is his recommendation to the United States government that the Chinese servants and other Chinese who were on the ships of his squadron during the battle at Manila, and who rendered most efficient service on that occasion and behaved in a most exemplary manner be recognized by this government in some substantial manner. He seems to think that men who have battle for our country should not be excluded from it. In referring to these Chinese he says that they showed such courage and energy in the face of the enemy that they were certainly worthy of the treatment accorded citizens of other countries who have not exposed their lives for the country in which they seek citizenship. He is decidedly in favor of recognizing these brave and useful Chinese in such a way as shall admit them to the United States in case they desire to enter it and to become citizens of it."

ACTION IN SGOVEL AFFAIR.

New York Correspondent Expelled from Santiago by Gen. Shafter.

Secretary Alger received a report from Maj. Gen. Shafter concerning the case of Sylvester Seovel, a correspondent of the New York World who was placed under arrest at Santiago city on Sunday, July 17, during the ceremonies attending the surrender of that place and the raising of the stars and stripes over the civil governor's palace.

The difficulty arose, according to Gen. Shafter's statement, over Seovel's attempt to make himself a prominent figure in the flag-raising. Gen. Shafter says that Seovel made an effort to ascend to the platform from which the flag was hoisted. He was ordered back but persisted in carrying out his intention. Finally, when he found that he could not succeed, he approached Gen. Shafter, and making an abusive remark, attempted to strike him. The blow fell short and Gen. Shafter ordered Seovel placed under arrest. Capt. Shafter says he did not want to dignify the occurrence by directing the trial of Seovel by court-martial, and he had disposed of the matter by ordering that the man be expelled from Santiago province.

Secretary Alger has approved this action of Gen. Shafter.

HOW TO WIN A MEDAL.

Recipe by Which It Followed a Young Soldier May Be Decorated.

How can the young soldier win the medal of honor? Pick up your wounded comrade or officer from the field and carry him off under a force fire. Grab up a shell and tear out the fuse or throw it into the water before it can do any damage. Run under a heavy fire and bring back water for the wounded. Save the life of your commanding officer by heading off the cluster of hostile soldiers who are about to kill him.

Really a retreating force of your troops and turn defeat into victory. Recapture one of your flags taken by the enemy. Do this alone against several of the Spanish. Capture the Spanish general single-handed. Save your own general by bravery. Spike the Spanish cannon in a wild dash on the artillery. Dress the wounds of a desperately hurt comrade under the enemy's fire.

Defend a hospital and cover the retreat of the sick and wounded under fire. Maintain single-handed a fort or other works attacked by the enemy. Do any of these things and the medal is yours.

BICYCLE FOR WARFARE.

Soldiers Can Load and Fire from It Without Leaving the Saddle.

A Columbus (O.) inventor, H. R. Heyl, has patented a bicycle which will be offered to the war department for use in the field. The principal feature in the new wheel is that it is made with a low frame and an easily movable seat post. The seat can be raised or lowered by twisting the handle bars. The idea is that the soldier can bring his wheel to a stop, and by lowering the seat place both feet on the ground without leaving the saddle. He can then fire and load at will and when ready to start out again the seat is raised by the handle bars. A movement is on foot to start a stock company in Columbus for the manufacture of the new wheel.

Indiana Will Lose \$20,000 by Quitters. Under the government's ruling regarding the reimbursement of states for the concentration of volunteers Indiana will lose about \$20,000 by reason of "quitters" and rejected men, whose expenses the government refuses to pay. The number who backed out after answering the call has been large.

It is strange how very few women are willing to admit that they remember our father of the late war.

Doctors Say; Bilious and Intermittent Fevers which prevail in miasmatic districts are invariably accompanied by derangements of the Stomach Liver and Bowels.

The liver is the great "driving wheel" in the mechanism of man, and when it is out of order, the whole system becomes deranged and disease is the result.

Tutt's Liver Pills Cure all Liver Troubles.

Ordinance No. 600.

An ordinance providing for the grading and graveling of Thomas street, between Sprigg street and Pacific street, in the city of Cape Girardeau, Missouri.

Whereas, The council of the city of Cape Girardeau, Missouri, on the 10th day of September, 1898, in regular session, declared, by resolution, that it was necessary to grade and gravel Thomas street, from Sprigg street to Pacific street, in said city, and

Whereas, Said resolution was published in the DEMOCRAT, a newspaper doing the city printing, for two consecutive weeks, and no counter-claim was filed with the city clerk by any resident owner of property on said street, liable to taxation for such proposed improvement, within ten days after the publication thereof; therefore

Be it ordained by the council of the city of Cape Girardeau, Missouri, as follows:

SECTION 1. That portion of Thomas street from Sprigg street to Pacific street is hereby required to be graded according to the established grade shown on the plat filed with the city clerk, and when thus brought to grade and the road bed shall be thoroughly settled, the same to be determined by the street and water commissioner, said part of Thomas street shall be graded thirty-two (32) feet in width and the depth as hereinafter set out, to-wit:

The gravel shall be four (4) inches deep at the outside lines of gravel and gradually increased in depth to the center of said road bed or street, where it shall be ten (10) inches in depth; said street shall be graded thirty-two (32) feet wide. The gravel to be used shall be of good quality, subject to the approval of the Street Commissioner.

SECTION 2. The City Engineer is hereby required to make estimates of the cost of the work hereby and file the same with the city clerk, and if the same shall be approved by the council, the city clerk shall thereupon advertise for proposals for grading and graveling of Thomas street in the manner and with the material as provided by this and existing ordinances; said advertisement shall be in the usual form, the last insertion to be at least ten (10) days before the time advertised for receiving bids. If any bids shall be accepted, the city shall enter into contract with the successful bidder for said work, subject to all the conditions, limitations, stipulations and bond now required by this and existing ordinances; and if no bid is accepted the city council may, by resolution, instruct the city clerk to re-advertise as in the first instance. If said work be constructed by contract or otherwise, the cost of grading and graveling shall be apportioned, assessed, levied and collected, as is now provided by ordinance, and the duties of the city clerk, city engineer and street commissioner in relation thereto, shall be in conformity therewith.

SECTION 3. This ordinance shall take effect and be in force from and after its passage.

Passed by the council Dec. 5, 1898.
WILLIAM H. COERVEL, President of the Council.
Approved this 9th day of December, 1898.
WILLIAM H. COERVEL, Mayor.
Attest: GEO. E. CHAPPELL, City Clerk.

Ordinance No. 602.

An ordinance appropriating the City Revenue for the fiscal year ending on the 30th day of June, 1899.

SECTION 1. The sum of Twelve Thousand Dollars (\$12,000) is hereby appropriated out of the General Revenue Fund of the City of Cape Girardeau, Missouri as the same shall have been paid into the city treasury to the credit of said fund, for the current expenses of said city, for the fiscal year ending June 30th, 1899.

For making and repairing streets, officers fees and salaries, including officers fees and salaries in the Police Court, maintenance of Fire Department, attorneys fees and other fees in suits brought for or against the city, or in which the city has an interest, repairs to cemeteries, sanitary purposes, including expenditures ordered by the Board of Health, repairs to court house and public square, repairs to jail and boarding prisoners, aid, provisions and transportation of poor persons and paupers, auction expenses, hydrant rental for fire protection, street lights (electric lights) and such other contingent and necessary expenses herein specified; said amount to be paid of said fund, by motion resolution or ordinance as shall be allowed by the City Council of said city during said fiscal year.

SECTION 2. This ordinance shall be in force and take effect from and after its passage.

Passed by the Council Dec. 19, 1898.
WILLIAM H. COERVEL, President of the Council.
Approved this 21st day of December, 1898.
WILLIAM H. COERVEL, Mayor.
Attest: GEO. E. CHAPPELL, City Clerk.

Attest: HENRY PULS, Clerk of Probate.

Ordinance No. 598.

An ordinance to change the grade of North street from Sprigg street to Pacific street and of Ellis street from North street to Morgan Oak street.

Whereas, James B. Nesmith, city engineer of the city of Cape Girardeau, Missouri, duly authorized thereunto, did submit to the city council of said city, at a meeting thereof held on Monday the 3rd day of October, 1898, a profile showing the grade of North street from Sprigg street to Pacific street, as made by him, and did submit to said city council, at a meeting thereof held on Monday the 24th day of October, 1898, a profile showing the grade of Ellis street from North street to Morgan Oak street, as made by him, which profiles have been received and approved by said city council and the grades of said parts of North street and Ellis street shown thereon adopted as the permanent grades of said streets; therefore

Be it ordained by the council of the city of Cape Girardeau, Missouri, as follows:

SEC. 1. That the grades of North street from Sprigg street to Pacific street and of Ellis street from North street to Morgan Oak street, as shown by the book of "Profiles and Grades" drawn by Nicholas Garner, civil engineer, and approved by the mayor and council of said city on the 5th day of August, 1899, be and the same are hereby changed from those established in said profiles and grades, to the grades made by James B. Nesmith, city engineer of said city, as shown by the profiles of the grades of said parts of North street and Ellis street, submitted and adopted by the city council of said city on the 24th and 25th days of October, 1898, respectively, and said grades, as shown by said profiles, are hereby adopted and established as the permanent grades of said parts of North street from Sprigg street to Pacific street and of Ellis street from North street to Morgan Oak street, and shall hereafter be held and taken as such, and the city engineer is hereby authorized and instructed to make the changes in purple ink in said book of "Profiles and Grades" to correspond with said profiles of the grades of said parts of North street and of Ellis street, so as to show the permanent grades of said parts of North and Ellis streets as hereby changed.

SEC. 2. That this ordinance shall take effect and be in force from and after its passage, and all ordinances or parts of ordinances in conflict herewith are hereby repealed.

Passed by the Council Nov. 21, 1898.

WILLIAM H. COERVEL, President of the Council.

Approved this 26th day of Nov. 1898.

WILLIAM H. COERVEL, Mayor.

GEO. E. CHAPPELL, City Clerk.

GOOD LOOKS PAIN

When you see a "good-looking" woman, you nearly always see a healthy woman. Beauty is really health. It is the attractiveness of face and form that comes naturally when weakness and pain are absent. Weakness and pain drive attractiveness away.

It is difficult to make women believe their tortures can be cured at home. The popular belief is that they must suffer on and on—or go to a physician, who will tell them that their troubles can be cured without physician's aid.

Nine-tenths of women's troubles can be cured without physician's aid.

MOORE'S WINE OF CARDUI

is a remedy that stops the drain on the system. It stops the pains that
